OUR APPROACH

OVERSEEING PROJECTS, BUILDING AND DESIGNING INFRASTRUCTURE THAT IS KEY TO IMPROVING SOUTH AFRICA'S SOCIAL, ECONOMIC AND ENVIRONMENTAL QUALITY OF LIFE.

We take pride in the pursuit of OUR THINKING, which we believe contributes to our diverse society, by developing a highly competent team of professional, technical and administrative people who understand our industry and ensuring that our team is well represented across every sector of South Africa's society in terms of race, gender and age. We ensure that our workforce is continually upgrading its skills-set by encouraging professional registration and supporting continuing professional development.

We ensure that the people assigned to a project complement those of the client so that a harmonious and productive relationship can be enjoyed on all projects, and that the imperatives of every assignment are fully understood. All projects entrusted to the firm are carried out to the complete satisfaction of the client from inception through to conclusion.

ABOUT

Lukhozi Consulting Engineers (Pty) Ltd is a **Level 1 B-BBEE** contributor and a leading multi-disciplinary professional engineering consultancy that offers a professional service providing independent expertise in engineering to government, industry, developers and construction firms throughout South Africa.

Our offices are strategically located in East London, Port Elizabeth, Queenstown, Johannesburg and Cape Town, and we have combined experience of more than **1,100** years in the industry.

Lukhozi Consulting Engineers (Pty) Ltd continues to make an active contribution to society by:

- Building up and developing a highly competent team of professional, technical and administrative staff.
- Carrying all projects entrusted to the firm through to a successful conclusion and the complete satisfaction of the client.
- Priding ourselves in our diversity in thinking and people.

WE CONTINUE TO GRADUALLY GROW OUR BUSINESS AND PROVIDE A STABLE WORKING ENVIRONMENT TO THE ULTIMATE BENEFIT OF OUR CLIENTS AND ALL OF OUR STAKEHOLDERS.

HISTORY

Lukhozi Consulting Engineers (Pty) Ltd was founded in May 2000 following the merger between the three partners of Hayne, Ross and Kleyn CC, and the founding members of Development Planners CC.

The merger integrated the progressive thinking of the two entities and brought together professionals with a solid professional record and industry experience, and enormous infrastructure and greater technical capacity.

Lukhozi Consulting Engineers (Pty) Ltd is now more than 50% black-owned and managed.
